

Addictions Conference Sponsorship Opportunities

Now in its seventh year, CHEP Inc.'s Annual Addictions Conference is known locally as a leading program centered on educating medical professionals working within the realm of addictions. This year, due to the Covid-19 health crisis, we have made the decision to move this program to a virtual platform. We will still provide a full-day program with speakers presenting on timely topics surrounding this epidemic that continues to plague our communities. Over the past seven years, we have been able to steadily grow this program, and with your help, this year we can continue those efforts in reaching an even larger footprint. The 2020 Addictions Conference Webinar will be held on Wednesday, October 7th from 9am-4:30pm.
