

Addictions Conference Sponsorship Opportunities

Now in its eighth year, CHEP Inc.'s Annual Addictions Conference is has established itself as a leading program in the mid-Atlantic region centered on educating medical professionals working within the realm of addictions. We provide a full-day program with speakers presenting on timely topics surrounding this epidemic that continues to plague our communities. With your help, this year we can reach an even larger audience as we seek to add a hybrid option for our attendees! This year the program will be held on Wednesday, October 6th at Water's Edge Events Center with a concurrent virtual stream.
