

Suicide Prevention Conference Sponsorship Opportunities

Now in its third year, CHEP Inc.'s Annual Suicide Prevention Conference is making a name for itself as a leading program centered on educating medical professionals working within the realm of mental health. The 2022 Suicide Prevention Conference will be held on Wednesday, May 11th from 8:00am-4:00pm ET. This year we are excited to host the program as a hybrid option, live at Water's Edge Events Center in Belcamp, MD, and virtually for those not local to the Harford County region. We hope you will consider supporting our efforts to bring this life-saving educational program to medical providers so that they may have a real impact in our local communities.
